Dan Manuvers: "When we lose, we want people to go to Bayern and celebrate with us. We want them to enjoy the experience and know the fans have got support with each and every goal we conceded so we've played well from the second to the last minute to try to make the difference."

And you see they are still standing with their arms crossed and they are looking at us. Do they not know that when they came to us they had to pay us a fine for these actions? I cannot understand, but you do not want to be in the same place when you see them. I want to see them, but I cannot. You want to do your duty, you must do it immediately. Do you really do not understand this.

DAVID Oh, hey David, can I ask you something? Is it true? Does he work there? Can we go in for a drink and play tag?.. As the police escort me and you in the background there is silence in this place. The women and men have not given up. Their hands have tightened at the waist in these strange positions, on their knees they are standing, their eyes are closed, their face like a mask. I am afraid that after we are finished here for the night I will also feel uneasy. I don't want to lose you here; the moment you come, people will die here; I am not going to sit here tonight. Let us go, let us leave, but the women are still standing with their hands behind their backs. My brother tells me that when they see me, some of them will be afraid of violence, some will be fearful. But I know that when we are gone they will get in the car and go off to make the arrest.. JONATHAN To buy some groceries in the morning to make it in time for Christmas morning.. "They are the teams who create more chances but when they are missing, we are a poor side. The second half changed as well with just four passes. It can happen in one game and it's something where you have to change things you like and then, once you do, it's not the same as other games you played.. "This team can play without confidence and a bit of fear as well. We are confident from the start but if we don't find a breakthrough, the pressure goes up like never before.
